

PHOTO: SUNDAY AFTERNOON SOCIAL TENNIS

Spring is finally here and what better way to celebrate than to hit the courts with us. There's so much going on ... Why not come along to one of our Social Tennis activities throughout the week or perhaps check out our coach's FREE lesson for juniors or what about starting lessons yourself?!

Free Junior Hotshot Lesson

Our club coach, Robbie Manzano, from Tennis Canberra will be holding two free Junior Hotshot Lessons for beginners and intermediates aged 6-14 (conditions apply). To find out more or to book online, go to <http://www.tenniscanberra.com.au/junior-tennis/>

Term Four Coaching

The next coaching term starts 09 Oct 17. We are lucky enough to have Tennis Canberra running tennis lessons and cardio tennis for all ages, skill and fitness levels throughout the week. Make sure you spread the word and check out if interested www.tenniscanberra.com.au/book-online/

Fancy a Burger?

Every month Grill'd supports three local community groups and guess what?! We've been selected by the Canberra Centre store! In the coming months, Grill'd will place three jars in their store and will give everyone who buys a burger a token to place in a jar of their choice. The community group's jar that has

the most tokens by the end of the month will receive \$300 while the other two groups will receive \$100. We're waiting to find out which month our jar will appear in store and we'll let you know once we do.

Tree Pruning

A big thank you to the ACT Government for actioning our request to have the trees and shrubs surrounding the clay court pruned.

Executive Update

We're busy preparing grant applications, building our online presence, hand-delivering advertising pamphlets, and working with Tennis ACT and other community groups and businesses to promote ourselves. We'll keep you posted.

Google Business

We've set the club up as a business on Google. To take a peep, just type in "Majura tennis" or "Dickson tennis" in google and you'll find information about the club and upcoming events as shown to the right ...

So what's the benefit of being a business on google? Well, check out last month's stats:

- 83% increase in google searches for the club
- 89% increase in views of our club's business profile
- 49 actions (people visiting our website or requesting directions to our courts)
